NOTES FOR GUIDANCE

General Information

All enquiries and applications for exchange programmes must be made through the responsible Erasmus Coordinator in your sending/home institution. To facilitate general procedures, please use e-mail until the point of mutual confirmation/signatures.

Application form and deadline

Please complete the form as fully and as clearly as possible. The Coordinator will inform you about the application deadline for your preferred receiving/host institution(s).

Other forms

Some institutions may require extra documentation with your application; you may for example be asked to complete a second application form and/or apply only for your study abroad.

¹ Principal study subject

Only state your principal study discipline, in which you wish to be auditioned. If you wish to audition for more than one discipline, you should complete a separate application for each. for a thesis, mobility window or free electives.

² **Study cycle:** Short cycle (EQF level 5) / bachelor or equivalent first cycle (EQF level 6) / master or equivalent second cycle (EQF level 7) / doctorate or equivalent third cycle (EQF level 8).

³ **Erasmus+ Coordinator/Contact person:** a person who provides a link for administrative information and who, depending on the structure of the higher education institution, may be the departmental coordinator or will work at the international relations office or equivalent body within the institution.

⁴ **Nationality:** Country to which the person belongs administratively and that issues the ID card and/or passport

⁵ **ISCED code** search tool available at http://ec.europa.eu/education/tools/isced-f_en.htm should be used to find the ISCED detailed field of education and training that is closest to the subject of the degree to be awarded to the student by the sending institution

⁶ **Study programme:** i. e. performance studies, composition, pedagogical studies, doctoral studies, or similar.

⁷ **Click on the date** and select a day from a calendar if you know the start and end day of your study period at the host institution. If you don't know exact dates, please indicate study months

⁸ **Course** or an "**educational component**" is a self-contained and formal structured learning experience that features learning outcomes, credits and forms of assessment. Examples of educational components are: a course, module, seminar, laboratory work, practical work, preparation/research for a thesis, mobility window or free electives.

⁹ **Transcript including full details of previous and current higher education study.** This has to be issued by the sending institution, not to be mistaken with the final 'transcript of records' which will be issued by the receiving institution at the end of the exchange period.

¹⁰ **Language competence**

You will normally be expected to have some proficiency in the language used for tuition in the receiving institution and you will gain most benefit from your exchange if you have some proficiency in the country's native language.

Language skills: This information is only meant as a preliminary rating to assess the level of language proficiency. The actual level will be determined after the student's Erasmus+ nomination by the first OLS assessment. To facilitate your rating, the given options may be regarded in rough relation to the reference levels of the Common European Framework of Reference for Languages (CEFR – see <http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>): A1 (limited) – C1/2 (fluent).

¹¹ **Erasmus+ Open Linguistic Support (OLS)** for students when mobility is taking place between Programme Countries (KA103). OLS is not available for International credit mobility (KA107). Coordinator of sending institution registers student for language assessment before his/her studies abroad, and registers student to the language course for improvement of the language skills if license is allocated. http://www.erasmusmais.pt/erasmusmais/images/pdfs/OLS-BEN-user-guide-01102014_final_clean.pdf
